In 1974 a group of activists founded the SPCA of Martinsville and Henry County to improve the lives of homeless animals throughout the community. Since that time the SPCA has striven to reduce the population of homeless, unwanted, abused, neglected, and hungry animals thereby reducing euthanasia rates and improving the lives of all community members, two-legged and four-legged alike. In 2013 the SPCA set a goal to see the community reach a No-Kill status. To become a No-Kill community, the community-wide euthanasia rate had to be reduced to under 10 percent. At the beginning of the campaign, the community-wide euthanasia rate was just under 20 percent. The SPCA was able to achieve that goal by 2015 through community support and rescue partnerships.

After over 40 years of operation, the SPCA often struggles to find available homes within the community for the area’s in-need animals. In 2010, to continue saving lives, the SPCA reached out to no-kill, foster-based rescues up and down the east coast to find homes outside the community.

Each rescue that partners with the shelter must go through an approval process to ensure the health and safety of the animals they accept. If the rescue cannot provide the information required for the approval process, or if the transport company the SPCA works with advises against it, the SPCA will not seek or continue relations with that rescue.

The long-term goal of the SPCA is to address the 10 percent of euthanasia remaining after achieving a No-Kill community. This 10 percent constitutes the large breed hound dogs, pit bull mixes, and feral cats, as well as the animals with aggression or behavioral issues. These are the animals that most need support and solutions currently. Through TNR and targeted spay/neuter programs, the SPCA hopes to control the population of unwanted and accidental litters of large breed puppies and colonies of feral cats.

The SPCA is proud to announce that for 2017 the community-wide save rate (these are animals with positive outcomes) was 92%! With the continued support of rescue partners and the community, the SPCA can continue to increase that save rate.

When I look into the eyes of an animal, I don’t see an animal. I see a living being. I see a friend. I feel a soul.

~ A.D. Williams
PRESENTS FOR PETS

In 2015, the SPCA began a program to raise funding for the purchase of cleaning and maintenance supplies called Presents for Pets. Each year local businesses host specially wrapped present boxes to collect change in November and December. This year twelve businesses participated, raising $350 for the shelter to purchase much needed supplies such as bleach, scrub brushes, paper towels, and dish detergent. Thank you Martinsville Aarons, Martinsville Family Medicine, Studio 220 & Day Spa, The Wreath Loft, Collinsville Aarons, Rent a Center, Jones & Deshon Orthodontics, Sterling Pharmacy, Jerry’s Pizza, Mackie’s Restaurant, and Papa’s Pizzeria. If you are interested in hosting a Presents for Pets box at your business in 2018, please contact the SPCA at 276-638-7297.

Thank you for all your support!
CRITTER CAMPS

JUNE 5-9
JUNE 26-30
JULY 17-21

Does your child love animals? Critter Camps are for rising 3rd-6th grade animal lovers. These one week camps are from 8am-12pm Tuesday through Friday and 10:30am-12pm on Saturday at the MHCSPCA. To register, stop by the SPCA to fill out a registration form!

UPCOMING EVENTS

MARCH

6-7

TRADE SHOW

Come see us at this year’s trade show! We always have a good time and look forward to sharing the evening with you!

JUNE

2

HOGS FOR DOGS

Come take a ride with us and help raise money for the animals!

AUGUST

16

PUTTS FOR MUTTS

Come enjoy the afternoon with us and play a round of golf while helping raise money for the animals!

BANDIT WAS SO EXCITED TO FIND HIS FOREVER HOME

EMPLYEE SPOTLIGHT

DONNA BELCHER

Q: You've worked at the SPCA for a long time. How many years has it been now?
A: 14 years.
Q: Do you remember your first day? What were your first impressions?
A: Yes, and I liked working with the cats.
Q: What motivates you to continue working at the SPCA after your many years here?
A: Saving animals off death row.
Q: What positions have you held while working at the SPCA?
A: Henry County Animal Shelter Manager, Rescue and Spay/Neuter Coordinator, SPCA Shelter Manager, Cat Manager.
Q: What do you feel has been your greatest contribution so far?
A: Helped with going no-kill by getting more cats adopted. When I came to work nobody had any cat knowledge. I helped build the relationship between animal control county officers and the SPCA.
Q: What is one of your favorite memories since working here?
A: My favorite memory is January 2007 when we moved into the new building.
Q: What do you hope to accomplish in 2018?
A: My goal is to rescue 1000 animals this year.

KEISHA WOOTEN

Q: You've worked at the SPCA for a long time. How many years has it been now?
A: I have worked at the SPCA for 11 years.
Q: Do you remember your first day? What were your first impressions?
A: On my first day at the SPCA I came in as a volunteer/training staff member and I was trained under a staff member in the Puppy Department. I was really excited and amazed at all the information I had to learn and didn’t even know about puppy care within a shelter context.
Q: What motivates you to continue working at the SPCA after your many years here?
A: What motivates me to keep working is the purpose and desire to want to help those who have no homes and give so much love in return as well as be a support in a functioning body of great workers with a vision for the unwanted in our community.
Q: What positions have you held while working at the SPCA?
A: I currently hold the position of Transportation Manager which involves driving spay/neuter, rescue drives, and donation pickups. I am also over vehicle maintenance. I also work as a shelter float staff as I have worked several positions in my many years here. I have covered Puppies, Dogs, Cats, Front Receptionist, and Medical.
Q: What do you feel has been your greatest contribution so far?
A: I feel that my greatest contribution to the SPCA is having a positive attitude in the time of crisis and a desire to stick it out till the end. I have worked in the shelter on days where it seemed that the work would never end, but after giving it my all and making sure every resident was fed, watered, comfortable, and safe I could go home and rest well knowing that I had given the best I could give.
Q: What is one of your favorite memories since working here?
A: I have so many memories but one of my favorite would be a beagle named Ichabod, who had been found by a kind hearted individual who wanted to get him completely well and take him home to be his forever friend. Ichabod had evidence of a rough life on the streets, his ear had be torn, he was emaciated, suffered from wounds, and hair loss. Amazingly his teeth should him to be younger than his outward appearance.
appearance which had us thinking 8 years. Ichabod had to be patched up at the vet during his SpayNeuter surgery and he didn’t look very perky when he returned back. But then a toddler around 3 years old came in and was running around and exploring the up front area while Ichabod was with his new owner to be discharged. Suddenly new life and energy seemed to jump into him as he started wagging his tail and following that little child around the front lobby.

Q: What do you hope to accomplish in 2018?

A: My goal for this particular year is to get more of our local dogs rescued from our local pounds into loving homes through adoptions and rescue.

On December 7, 2017 the SPCA hosted its second annual Spayghetti Dinner at the beautiful Shindig Catering + Events at 137 E. Main St. The event featured a silent auction, raffle, and some of the best food of any SPCA event before it! The SPCA sends a huge round of applause to the true champions of the event: its sponsors, the Eye Site, Bassett Furniture, Burch-Hodges Stone Insurance, Collins McKee Funeral Services, The Pet Clinic of Martinsville, Jones and Deshon Orthodontists and the in-kind support of many more including Eden Jewelers, and Jewelers Edge.

New to 2017, the event allowed ticket purchasers to decide on an option to eat-in or take-out, with their choice of lemon garlic cream alfredo sauce, Momma Leoni’s classic marinara – a crispy caesar side salad and perfectly sided garlic toast to compliment the pair! The desserts table was a wonderful mixture of homemade cakes and pies supplied by the board and staff members of the SPCA. Spayghetti goers chose between tea or wine with an option to purchase a signature drink Clifford’s Big Red Dog from the cash bar where sales of the drink benefited the SPCA.

The night was a tremendous success thanks to support of the events unofficial chairperson Tammy Pearson, as well as the musical delights of Tom Berry and Will Zimmer.

The fabulous prizes featured for the raffle were certainly major contributors to the events overall success – with a long weekend at Wintergreen, long weekend at a myrtle beach condo, a Community Basket and a Finer Things Basket featuring beautiful, breathtaking jewelry.

The SPCA sends a heartfelt thank you to Tammy and Will Pearson for all their support and leadership, Liz Secrest for hands on help with our first attempt at take-out service while keeping our volunteers safe (and no traffic jams on the uptown streets), a special thank you to the SPCA staff and board members as well our dedicated volunteers who worked the event with the greatest of customer service, and patrons. You guys make our SPCA so very special! Thank you to all who truly put so much in to the event which raised over $10,000.00 to the Spay/Neuter Fund.
WISH LIST

Are you wondering how you can shop for the SPCA? Purchase any of these items at your local retailer and drop them off at our shelter!

☐ Non-clumping cat litter
☐ Dog Toys, chews, treats
☐ Fabuloso
☐ Bleach
☐ Peroxide
☐ Newspaper
☐ Canned cat food/tuna
☐ Dog collars/6’ leashes
☐ Non-Tip Bowls
☐ Printer Paper 8 1/2 x 11
☐ Pet carriers - used/new
☐ Laundry Detergent
☐ Towels/Blankets

Please drop off all donations at:
132 Joseph Martin Hwy
Martinsville, VA 24112

THE PET TREE THRIVES

More than 40 years ago, the SPCA began the J. Fred Wheeler Pet Memorial Tree to honor both Dr. J. Fred Wheeler and beloved pets throughout the community. Throughout this long history, many businesses have participated by placing Christmas trees in their lobbies for memorial stockings throughout the holiday season. This enduring program provides a beautiful way to remember or honor the pets in our community while also raising money to save our homeless animals. Thank you to Collinsville Branch Library, Pet Clinic of Martinsville, King’s Mountain Animal Clinic, Blue Ridge Library, and Fido’s Finds and Kittie’s Kollectibles for participating in the 2017 the J. Fred Wheeler Pet Memorial Tree. Through the support of our local businesses and community members, this program raised over $2,300 for the life-saving efforts of the Martinsville Henry County SPCA. If you are interested in hosting a Christmas tree at your business in 2018, please contact the SPCA at 276-638-7297.
Over the past year, several members of the SPCA family have experienced loss. It’s during times like these that we reach out to nurture and support those we love who are going through a very rough time. Recently there were two losses that shook every member of the SPCA. These beloved friends and family members may be gone from our everyday lives but they will never be forgotten. They live on in the animals we continue to save every day.

The Pet Therapy program has lost another special member. Nick, the standard poodle adopted by Alice Ann and Kirby Blevins in 2007, passed away on December 26th. Nick served as a member of pet therapy and became one of the first dogs to receive therapy dog certification. He was a “failed foster” but a huge success in living a long life of a handsome companion, and wonderful representative of our SPCA.

His story of coming to the shelter with 3 other siblings has been told over and over. His was a classic story of arriving at the shelter in poor health and horrible physical condition. It took months to return him to good health and to see him actually look like a poodle. By then he was a member of the family that was fostering him and he became standard poodle number 4 to live in this home.

Nick showed us all that we should not judge a shelter dog by his/her “cover”. Under that mess sits a wonderful dog who can be your best friend.

“We were the luckiest people to have had such a wonderful dog as a part of our lives.” - Alice Ann and Kirby Blevins.

SHOP FIDO’S FINDS!

Stop by Fido’s Finds on

**Tues-Fri 10am - 3pm**

**February 10th 10am - 2pm**

Amazing prices on beautiful items!
All proceeds from Fido’s Finds and Kittie’s Kollectibles go to the Martinsville-Henry County SPCA.

Come do some shopping for yourself and the animals too!

You never know what sorts of treasures you will find down at Fido’s!

www.spcamhc.org
Each year Subaru supports animal shelters across the country in their Share The Love “Subaru Love Pets” event. For over ten years Subaru has supported local and national animal welfare organizations. In the spirit of this event, our local Nelson Subaru partnered with the SPCA in October to sponsor adoption fees. With their generous support, the SPCA waived the adoption fees for eleven dogs and twenty-two cats! The support our Nelson dealerships gives to the SPCA is unfailing and extremely generous, from the sponsorship of events to the sponsorship of adoption fees to remove barriers for the community to adopt. Thank you Nelson Subaru for your generous donation to sponsor the October adoption fees!

HOW MAY WE BE OF SERVICE?

The Martinsville-Henry County SPCA provides a wide variety of services to our local community, compassion and patience being two amongst them. We are proud to offer our knowledge and services to our greater community in an effort to advance the education and compassion of those in our area for the improved treatment of animals, to help provide forever homes, and provide low-cost services to those in need. To learn more about any of these services visit us online at spcamhc.org or call our adoption center at (276) 638-7297.

ADOPTIONS
Save a life and bring a loving pet into your home, creating a loving family member and giving an animal a second chance at happiness.

SPAY/NEUTER SERVICES
Spaying or Neutering your pets helps prevent unwanted litters in our community. Schedule your appointment today!

WELLNESS CLINIC
Keep your pets up to date on their shots and vet visits by joining us for this low-cost vet clinic! Check in with us for the next scheduled clinic.

SURRENDERING YOUR PET
Surrendering a pet is hard on everyone. The SPCA offers an answer should you find yourself with a pet resulting from a family death, someone going into full time care, etc.

EDUCATIONAL TOURS
We teach principles of compassion and respect for all forms of life, believing that encouraging kindness towards animals is the starting point for compassion in children.

CRITTER CAMP
Camps consist of animal-related activities, animal interactions, visits from special guests, fun animal-themed crafts and more!

BIRTHDAY PARTIES
Let us make your birthday a bash with memorable shelter tours, space for fun and games, and real “party animals”.
