

Join us for the SPCA's 50th Anniversary Gala!

The Martinsville-Henry County SPCA is celebrating 50 years of saving and improving the lives of homeless animals in our community on March 16, 2024 at Chatmoss Country Club. Without the help of our tireless supporters, none of what we have accomplished would have been possible. To mark this once in a generation milestone, we are hosting a special evening featuring a presentation on the history of our organization told through interviews with many of the key figures in our story, including a literal bird's eye view of all we have become.

The evening will include a not-to-be-missed cocktail hour with unique surprises, a seated surf and turf dinner, a live auction conducted by the engaging "Duke Says Sold" team offering a limited selection of premier items, experiences, and trips, as well as an opportunity to support the SPCA, followed by dancing. This is a black-tie optional event with an open bar. Ryan Hunt Photography will be present to capture the event and take pictures of guests upon request, all of which will be available for attendees to download for free after the gala.

Reserve your place today! Seats are limited and reservations will close on or before March 5th by 11:59pm. Reserve at <https://bit.ly/3MKkMln> or by scanning the QR code.

If you are interested in participating in the Live Auction, but cannot attend the gala, please contact Catherine Gup-ton at 434-709-1780 or by email exec@spcamhc.org to sign up for proxy bidding.
